Lewis Olpin

Elwood and LuJean Olpin Sundberg

Kelly and Teri Sundberg

Longevity. Experience. Compassion.

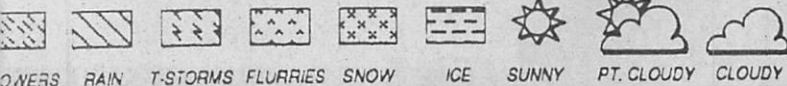

The Olpin family is a tradition in Utah that dates back to the era of hand-hewn caskets and slow stepping, black-plumed horses on the dirt road leading from town. One of the early pioneers, Bishop Edwin Dee Olpin, made his way to Pleasant Grove and taught himself the funeral profession. His son, Lewis, continued in the business.

Elwood Sundberg married Edwin's granddaughter, LuJean. They purchased the Orem location of the Sundberg-Olpin Mortuary that opened in 1946. Their son, Kelly Sundberg, and his wife, Teri, are both funeral directors and create a fourth generation serving Utah County.
